

ATTENTION DC FAMILIES!

Are you a parent or guardian of a child 5 years old or younger?

We'd like to hear from you!

The Office of the State Superintendent of Education (OSSE) is conducting a survey as part of the District of Columbia's Preschool Development Grant, Birth to Five so we can better understand the extent to which families of children age 5 and younger are aware of and access the programs and services that are available to help families make decisions about their child's health, early care and education.

We're asking YOU to tell us about your experiences by taking a 10-minute survey at bit.ly/dcb-5. The survey will ask about your experiences with different programs, services and benefits.

If you complete the survey, you can enter into a random drawing to **win a \$100 gift card!** Winners of the gift card will be notified via email and call in September 2019.

Go to bit.ly/dcb-5 to complete the survey by Aug. 5. If you prefer to complete a paper version of the survey, please visit your local library.

Questions? Please email OSSE.FamilySurvey@dc.gov for more information.
