Individuals living on low incomes can meet one-on-one with an attorney for free legal advice on any civil legal matter governed by D.C. or federal law. Although the attorney will not be assigned to represent you, you may receive important information about your legal situation.

If you are eligible, you may be referred to one of the legal or social services agencies in the District to provide you with additional assistance and/or representation. However, this clinic does not guarantee that you will obtain representation through one of the referred agencies.

Please bring all of the documents concerning your legal problem to the Clinic.
