

LOW COST COMPUTERS AND INTERNET SERVICE IN DC

To help D.C. children access education during the pandemic, this brochure provides guardians with information about low-cost computers and internet service. The Juvenile and Special Education Law Clinic at the University of District of Columbia researched available options and compiled findings here. The clinic has no financial relationship with any company selling or marketing computers.

ADDITIONAL INFORMATION

Every laptop comes with a power adapter. There is an option to add Microsoft Office 2010 for an additional \$15. Customers must pay \$15 for shipping. These are refurbished computers. WTA says the laptops are in full working condition with no bad screen pixels but some signs of wear since they are used.

HOW TO ORDER

To place an order,
email info@wildtech.org identifying the computer
above you want to order and your shipping
address. Limit one per person. For more
information, visit www.wildtech.org

*"The Internet is not a luxury, it is a necessity."
– President Barack Obama*

ARE YOU IN NEED OF LOW-COST INTERNET SERVICES?

Below are available low-cost internet services provided by Comcast, RCN, and Verizon. Prices start at \$9.95 per month.

INTERNET ESSENTIALS (\$9.95 PER MONTH)

Internet Essentials is a Comcast service that offers affordable internet services for those that qualify. You may qualify if you are:

*Eligible for public assistance programs such as:

- The National School Lunch Program
- Housing Assistance
- Medicaid
- SNAP
- SSI
- Other related services

*You reside in an area where Comcast internet service is available.

*You are not an existing Xfinity Internet customer and have not subscribed to Comcast internet service within the last 90 days.

For more information and to apply, visit <https://internetessentials.com/apply>. You can also call (855) 846-8376.

ARE YOU IN NEED OF LOW-COST INTERNET SERVICES? (CONTINUED)

RCN INTERNET FIRST (\$9.95 PER MONTH)

Internet First is an RCN service that offers affordable internet access to qualifying low income households. You may qualify if you are:

*A participant in public assistance programs like:

- The National School Lunch Program
- Housing Assistance
- Medicaid
- SNAP
- SSI
- Other related services

*Living in an area where services are available.

*Not subscribed to RCN Internet First services within the sixty (60) day period immediately prior to applying for the program.

For more information, visit <https://www.internetfirst.com> or call (800) 746-4726.

VERIZON FIOS (\$19.99/MONTH)

Verizon Fios offers affordable internet services for low-income residents that are eligible for their Lifeline Program. In addition, you must live in an area where Verizon Fios internet service is available. For more information and to apply, visit <https://www.verizon.com/info/low-income-internet/> or call (800) 837-4966.

Finally, we recommend that parents ask their child's school principal for technology or visit Connect.DC at <https://connect.dc.gov/> or <https://dcps.dc.gov/page/empowered-learners-initiative-eli-0> in case more resources become available.
