

Remote Immigration Legal Advice and Referral Clinic

The D.C. Bar Pro Bono Center's in-person September 26th Immigration Legal Advice & Referral Clinic has been canceled due to COVID-19. Please see below for the alternate resource available to you.

Monday - Friday, September 21-25, 2020

Daily from 9 a.m. until 4 p.m.

202-780-2573

Beginning on September 21st, please call 202-780-2573 to be connected with a D.C. Bar Pro Bono Center staff member. If we are able to assist, you will be connected with a pro bono attorney for brief legal advice only.

Representation will not be provided through this service.

The clinic is open to anyone with U.S. immigration law questions, regardless of the residency of the caller. We may be able to match you with an attorney who can speak with you one-on-one about your legal problem and provide advice.

All services are **free and confidential**.

You may be referred to another organization to see if another attorney can help you. If you are referred, this clinic cannot promise that you will get an attorney at that organization.

Please have all of the documents concerning your legal problem within reach before calling.
