Are You in Need of a Device or Internet to Access Telehealth Services?

AJE in partnership with Family Voices Inc. is providing parents/caregivers of children, and older youth with special health care needs and/or a disability with a device, internet services, or both to access telehealth services. Review the application [here](#) and apply today.

APPLICATIONS WILL BE REVIEWED AS RECEIVED AND AWARDS WILL BE MADE TO ELIGIBLE APPLICANTS ON A ROLLING BASIS UNTIL ALL DEVICES AND INTERNET SERVICE SLOTS HAVE BEEN ISSUED.
