

Are you a parent of a child with a mental health condition, a medical condition, and/or a rare disease?

We want your feedback!

**Participate in a Survey:
Experiences in Accessing Mental Health Treatment**

This online survey takes approximately 10-20 minutes and will contribute to a greater understanding of difficulties families face with the hope of increasing families' access to mental health services.

<https://www.surveymonkey.com/r/PQFSMVV>

Please contact Maria Martinez Calderon, LMHC, and Kim Hager, LICSW, at Children's Friend, Inc. at 508-753-5425 with further questions.

Thank you for your willingness to participate in the survey and provide valuable feedback!
