

# ARE YOU A PARENT OF A CHILD WITH DISABILITIES IN PRE-K-12?

**We want your input!** Child Trends is conducting virtual focus groups with parents of children with disabilities to explore their attitudes, beliefs, and experiences (if any) accessing education research and to get feedback on short local TV news reports that highlight strategies for parents to improve children's educational outcomes.

**What is the ask?** You will be asked to participate in a one-time **90-minute** focus group with 6-8 other parents via **Microsoft Teams**.

**Incentives:** As a thank you for your participation, participants will receive an **\$75 Amazon or Target e-gift card**.

**Screener link:** If you want to participate, please fill out this brief screener and we will be in touch soon: <https://forms.office.com/r/8gH2ihYMRm>
