

# Family Survey

The DC Supporting Families Community of Practice (SF CoP) is a group of family members, advocates with disabilities, government leaders, disability advocacy and services professionals, and other interested community members who are working together on how best support DC families that include a member with an intellectual or developmental disability across the life span.

**The DC SF CoP wants to engage with families that include a person with IDD and/or DD in the next year on the issues that are highest priority for you. Share your voice with us!**

## DC Supporting Families Community of Practice includes:

- Project Action
- Quality Trust
- The Linner Foundation
- SchoolTalk
- Advocates for Justice in Education
- Department on Disability Services
- Georgetown UCEDD
- HSCSN
- DD Council

**Survey Closes July 7 , 2023**
